PAPER

all flat printed holiday cards are printed on high quality 130 lb. matte white cardstock for styles with an attached photograph, and for styles with the photograph printed on the card. letterpress printed cards are printed on 110 lb. crane letra cardstock, and foil stamped cards are printed on cardstock color of your choice in 130 lb. weight. other colored or heavier cardstocks can be made available per client request at an additional fee.

PHOTOGRAPHS

high quality photographs (300 dpi) with a lustre finish may be printed and affixed for an additional fee (\$45+, depending on your quantity of cards). we also offer the option of printing your high quality photograph on the card, which carries no additional fee!

CUSTOMIZATION

all cards seen on the website are available with customization in colors and wording. if you don't see anything that strikes your fancy, let us know what you would like and we'll see if we can whip it up for you! a "from scratch" custom card can be designed for a \$65 fee, and that includes one (1) round of revisions. all envelope colors and envelope liners shown are available for pairing with your card. also, if you fall in love with a liner that's on the website but not listed in our 2026 envelope liner selection, ask us - we may have a small stash we could use to accommodate your order! you never know...

PROOFS

all holiday card orders come with one (1) complimentary round of design and editing proofs based on client's specifications - any additional rounds of proofs will be subject to a \$25 fee.

TURNAROUND TIME

from initial email to cards in your hand, you can expect your calliespondence holiday cards turnaround time to be approximately 3-4 weeks (provided your photograph is immediately available) and sometimes sooner. if you select a card featured on the website as-is or with only slight modifications, this time frame can be compressed to around 2-2.5 weeks. we also can rush your order for an additional fee; contact us if you are in need of cards on the fly!

SHIPPING

orders are shipped via UPS with a tracking number. shipping will be added to your order total at a flat rate of \$15.00 for all orders. expedited shipping is available for an additional fee. local (atlanta) customers are welcome to pick their orders up at the calliespondence office in south buckhead and will not be charged for shipping.

HOW DO I PLACE MY ORDER?

ah! the most important part. easy - send an email to callie@calliespondence.com or an inquiry through the website contact form or you may order flat printed cards on the website.

include the following in your email:

- printing method preferred
 - quantity of cards
 - add ons desired (envelope liner, cardstock backer, back of card printed, return address printed, return address labels, etc.)
 - preferred design from calliespondence holiday card portfolio or custom design preferences
 - photograph file (preferable a hi-res jpg) -- and let us know if you would like it printed on the card or printed on professional photo paper and attached
- please note that a "real" photo must be attached with letterpress and foil printing methods. if you do not have your photograph ready yet, please let us know when it will be available - we need to customize your card to your photograph to make sure it looks perfect!*
- anything else you want us to know about your 2026 holiday card wishes and desires!

WHAT HAPPENS NEXT?

we will need a \$150 deposit, payable by paypal, venmo or credit/debit card, to reserve your spot in the calliespondence holiday card schedule. we will also accept checks, but please note that we cannot move forward with your order until this payment is received.

after you've paid your deposit, we will begin design on your card per your specifications once you send us your photograph! expect your first round of PDF drafts to arrive in your inbox in roughly 2-3 days.

upon your order being sent into production, we will bill you for the remaining portion over \$150, payable via venmo, paypal, credit card or a check.
